"We Submit by Hand! - It Gets Your Web Page Seen..."

Dear Friends:

Thank you for your request to have your website submitted to 15+MAJOR search engines by hand for only \$15.00 (US Dollars) - engines such as Google, Yahoo, Bing, AOL Open Directory, and more. As a bonus we include over 100 automatic link and FFA sites for added external linking strength to your site. Submission is one of the most important things you can do for your web site - it's free and easy, but it does take substantial time (about 1-2 hours for the novice.) We do all the work for you for ONLY \$15, each and every month!

If you would like to order this service on a monthly basis (we deduct \$15 from your credit card each month, and then submit your site to the major engines and link pages between the 20th and 30th of each month), simply complete the form below and **fax back to 336-376-0953**.

Your Name: _____
